5 OBJECTIVES of the action	Give informations on the Wolf presence in Alpi Marittime Park. Know the rythms and behaviour of this great predator. Understand the problems linked to the sharing of space in pastoral activities and territories. Control our knowledges on the wolf.	
6 DESCRIPTION	It is a role play in which the children are transformed into wolves. The children are informed on the wolf behaviour, and they choose their chief in each pack. The packs of wolves meet each other and fight for the prey, hidden in the "natural field". All the wolves will look for the den, following a secret "wolf track" that is discovered answering the right answers to the naturalistic quizz.	
	Equipment	Pedagogical set "On the Wolf Track".
	Management staff	Park's guides.
