

2nd PSG meeting Berchtesgaden, 14 October 2009

Programme

Objective:

The 2nd Project Steering Group (PSG) meeting will serve to review the status quo of the project after the end of the first year of its implementation

Format:

All WP leaders will be asked to give an overview on the current status of activities, first results and possible problems. The LP/blue! will also present its assessment of the work package performances so far. An open discussion will then serve to clarify open issues and how possible problems could be resolved. It is foreseen that every WP Leader talks about his/her WP for a maximum of 20 minutes. This will be followed by some additional remarks from blue!, summarising the expected outputs during the first year, potential problems as well as an overall assessment of the WP. A discussion will then serve to clarify open points and possible solutions for problems. For each WP, around 40 minutes will be available in total.

PSG representative:

As the PP-meeting will also serve as PSG-meeting (Project Steering Group), each PP has to ensure that its organisation is represented at the meeting with a person who is entitled to vote in the PSG. Nominations for PSG-representatives will be collected from all PPs by blue! before the meeting.

Venue:

Nationalpark-Haus
Am Franziskanerplatz 7
83471 Berchtesgaden

For directions to the Nationalpark-Haus please click on the link:
